“ Dear Family of Cherie,

*My Dad was a patient of Cherie's at the VA battling lung Cancer. He turned 84yo on Nov. 15th. He was just sickened to find out she had passed when he went in for his treatment this past Friday. I am a RN and live in Mooresville. Dad and I just wanted you all to know how comforting it has been to know that Cherie was looking after him. She is an outstanding caring provider and goes the distance for pts and their families. Covid has forced the families to give support from the sidelines instead of by my Dad's side. Through it all, Cherie always followed up with any questions or concerns we had. She is missed and we are so grateful for all the wonderful care she has given our family. We wish you and your family all the best. She will always be with us. With Sincere Gratitude,*

*Bonnie E. Hedrick & Ted Everhart*
