“ I just learned tonight when I received a call from Justin of his grandmother's passing. She was a devoted grandmother and gave her love freely to family. She will be missed by many, but especially Justin. She was a great support to him and I am sure to many who knew her. I only had gotten to know her a bit in this last year thru my small support to Justin , thru Cheryl. I would meet her briefly at Walmart and had not heard that she had medical issues. My heart goes out to all family members with this sudden loss you are dealing with. Beth Haslett

“ I'll never forget the smiles and laughs we shared at the Steelers VS Panthers game. I'll never forget the way you made sweets, i'll never forget the love you had for each & every single one of us kids, even your grown kids. You've never let any of us down, you were always there. You were the sweetest, kind-hearted, crazy grandma/WOMAN i've ever met and i can't wait until i see you again. I love you so much & i'll miss you everyday.

“ Sincerely condolences to the family. Our hearts are breaking for you all. Lots of memories of our childhood together as cousins and time spent at Aunt “Nee Nee’s” house. I know how close the Eagle sisters are and how much you all will miss your sister. We loved “sissy” and are still in shock hearing she has passed. May God give you all the comfort and peace that only He can give during this difficult time.

We love you,

Cousins Ronda and Bev and family
