“ This just doesn't seem real. My heart is broken. I'll never forget all the fun we had cruising Main St., all the time we spent at the General Times lake lot and at his aunt's lake lot, him playing his guitar and singing to me, the way he mastered a drum set, his love of fishing, the way he adored his mom and how protective he always was of Tracie, him and his dad making each other laugh at things I never understood, how he had friends for life and never just for a season, and that laugh.....almost like a shy child, but with his whole head grinning and red!! We had some great times back in the day and a friendship that lasted a lifetime. I love you, my dear friend.....until I see you again.....Gwenna
