“ Rich Hofer from South Shore and Andy from Timber Point - and all the staff - wanted you to know we have been thinking about Chris especially today with the service. We will, of course, be at the celebration of life here on Long Island later this month. And we will be making a donation on behalf of Chris towards the Heart Association - One thing we know for sure Chris will be hitting it straight down the fairways of Heaven - God bless him and his family.

“ I always looked forward to seeing Chris when he came to Long Island to work the golf season. Chris was kind enough to write the letter of recommendation for my oldest son to get into the PGM program. He also was a friend and mentor to my son along the way. Chris recently taught my youngest son at the junior PGA camps at Timber Point Country Club. Chris was always a pleasure to talk to and be around. We could talk for hours if we weren't careful, especially if the topic turned to the state of our society. I just recently spoke to Chris to make sure everyone was okay following hurricane Helene, so receiving this news was especially devastating. I am truly sorry and pray for your continued strength as you try to heal from this incalculable loss. I know that if Heaven has a golf course, Chris is already playing.

We met chris 6 years ago when he was in town looking for a place to stay in ny while golf instructing. We felt so comfortable sharing our home chris continued staying every season. Chris became a good friend. We all had lots of laughs and great conversations in between all of us working and running into each other. He always had a positive attitude. We will dearly miss our friend chris coming for visits. God bless him, leslie and his family. Rose and Vinnie Duryee.
