“ Chris was a great guy. I always enjoyed his great smile. My heart aches for the loss of a great person. He was my wife's blood cousin but I looked at him like we were blood. I am REALLY gonna miss him at holidays when we are all together. It will never be the same without him but he is a Angel now. For his mama his dad and sister I love you all and honesty probly will never have a dry eye when I see them. But that's ok. We miss you chris.rest in peace my brother

“ There are no words to describe the impact made on me and my life by Chris, and now the impact of losing him. The bond I shared with him was truly special and one of a kind and the memories I was fortunate enough to create with him will forever stay in my heart. My world will be a little darker without his contagious smile, his funny sarcastic humor, and his brilliant comebacks. I love you all so much! Fly high Bigg'n..
