“ *I am a USMC reservist and this time of year we begin to collect for the Toys for Tots program that provides toys to underprivileged children around Mecklenburg county. This year we were unable to secure a warehouse to hold all the toys and had about a week until we were out of time. I have known Chris for the better part of a decade and know how proud he was to have served. I am also a GM for a local siding company and one of Chris' customers. Out of all of my suppliers I called Chris first. I did so because I consider Chris a friend, he is a fellow veteran ,and he is always willing to help a friend in need. He did not disappoint and took time out of his busy day to locate a nearby warehouse for us to use. Because of Chris' help hundreds of children will receive presents this year on Christmas. That singular action will reverberate so much joy and touch so many lives. This is something I will always remember. Thank you Chris. You were always genuine, honest, and a man of action. Someone that I truly had the utmost respect and admiration for. My thoughts and prayers go out to your family. RIP brother.*
