“ Happy to say that I learned so much regarding stroke care from Claire during our years working together. She was passionate about Speech Pathology and gave each patient she encountered her specialized attention, knowledge and therapeutic interventions. Her quick wit and as others have said, dry sense of humor were unmatched! Although I'm so sad for her passing, I rejoice in the knowing that she has indeed found eternal rest! So glad I was able to visit with her after her initial illness. Andy and Family, we will continue to keep you all uplifted in prayer! May God bless and keep you during this difficult time. 💜

“ we were saddened to hear of Claire's passing but joyous about her return home to eternal life. We have fond memories of Claire and the family during our shared times in Hendersonville/OLOL. Her dry wit, her enthusiastic support of the kids, her willingness to throw Andy "under the bus". She loved greatly and was loved greatly in return. Tho we did not witness her drive off with the gas pump hose still attached, Patrick made sure we all knew about it! Happy memories during a sad time-the Speck family (Judy, Mark, Maegan, and Ryan)
