“ I am deeply saddened by Clayton's death. We were good friends and sandlot playmates through jr. high. After that, he became a tennis star and I became a "soda jerk". Due to recent health issues, Dixie and I were unable to attend the services yesterday. Attached is a picture from about 5 years ago, I think. We always had a good time when he, Jerry and I got together. The wives all hit it off perfectly. It is a sad time right now. God bless the boys and families.

“ I met Clayton when we were in the 8th grade at Lake Forest Jr. High, and we remained friends through NHHS and the original Wilmington JR College on Market Street. When he went to State, I went to Carolina; so we had a good time goading each other over the years. I haven't seen him much during our adult year, for I moved to California in 1968; however, I have always enjoyed re-connecting with him at class reunions, and it was almost like we were just continuing those years of laughing and joking around as in jr; high, high school, and jr. college. I shall miss not being to continue to visit with him when I return to future class reunions. He was a fun person to have as a friend. His quick wit and warm smile will be missed. My condolences to each of his family.

“ My sincere condolences are extended to Clayton's family and associates. He and I were in the same class at NHHS in Wilmington. I remember his calm demeanor and sharp wit very well. He was a very fine person and I know he will be missed by all who new him.

“ I send my deepest condolences to the family and friends of Mr. Asbury. Although I did not know him personally, the loss of a loved one is definitely a trying time for all. I pray that his family and friends can find comfort in God's Word the Bible, and continue to rely on Him in prayer. At John 5:28, 29 we read: “Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out...” May the promise of this beautiful resurrection give you all hope and peace of mind!
