“ Shortly after we moved to our home in Cornelius, NC, over 30 years ago, we met our neighbors, Mike and Pam Holtshouser, who lived across the street from us. Rodney and Mike bonded over going to NC State. Mike helped Rodney fence in our back yard. That fence is still standing. Over the years, we have gotten to know what a good neighbor and friend Mike was. During the past year, we have been going out to eat with Mike and Pam monthly, along with a few other neighbors. Mike was always the life of the party and made our meals together lots of fun, especially if we went to Joe Fish. Our hearts are saddened by the loss of Mike. He'll be greatly missed.

“ So sorry to hear this. I only met Mike once, on my visit to arrange moving to The Pines, but the bookshelves that he suggested have made my apartment a perfect home and will keep him in my memory.

All best wishes, Candy Wood

I had the pleasure and honor of knowing C. Michael since our little league baseball days. We were pretty much inseparable from the time he came to Mooresville Junior High School in the seventh grade until life happened. He was like a brother to me. Over the years we visited and talked often, especially in the past few years. I will have fond memories of him until we meet again. Pam, David, Neil and family, you are in my prayers.
