Clifford I will miss you so much my friend! You inspired me so much by the way you handled your struggles. You always had this, "I'm going to win!" attitude. I wished everyone would take a lesson from you. You left an impression on me for the rest of my life. It was good to see that despite your setbacks, recently, you still were winning because you had already set the foundation to bounce right back!! Your people should be so proud of you, your father, your mother, and cant forget your dear Grandmother Maggie! Dear Maggie Crayton, My heart goes out to you and your family. When things like this happens it makes no sense to us. I feel so numb right now. I pray for your comfort. May God comfort you through this difficult period in your life. If you ever need me, I am here. We all have to leave this avatar. We just don't know the time and the hour. One thing I do know, I saw growth and ascension in your grandson while he was on this Earth. That gives me some comfort.

I was so very heart broken to hear of Clifford's passing. I had the pleasure of having him in my class at York Tech 3 times. He was extremely intelligent, dedicated, and always worked hard to achieve his goals. I am glad he had the opportunity to be recognized for his academic achievements. I am praying for his family and friends for comfort, peace and understanding.

For all the family that loved Clifford so much, we feel he left this earth too soon. Some will struggle with that for a long time. But have comfort in knowing that God had a plan for him & he is no longer struggling. Prayers for his family & friends.

Thank you for sharing in our grief with your kind words and gestures. Rodney, Clifford Sandy respected you and trusted you. You were a such an important part in helping him reach goals he set. With your ability to listen and hear what was on his mind and in his heart meant everything to me and was so important that o him. Sheena knew what she was doing when she put him in your care. You are a dear man and wonderful counselor. God bless you for all those you help. Love, Maggie (Nana) .
