“ Donna, Kelly, Loni and the entire Whitley and Biggs family, Kelly and I are so saddened to hear of your unfortunate loss. Being your neighbors for so many years we were privileged to see all your kids grow up and make the best of their lives. I can only imagine what you are going through but can definitely highlight on the many great memories, it seems like just yesterday Clint and I were standing at the end of the driveway shooting the breeze. I watched him grow up and become a man, he was full of inspiration; life and enjoyed making everyone laugh and just be happy. He will truly be missed and our prayers go out to you and your entire family.

“ Donna, My heart breaks for you. I remember Clint as this sweet little boy when your family went to West Corinth Church. His son is the image of him at that age. Hold tight to your memories and let the love God has for you bring you peace and comfort.

“ May the Lord wrap your family tightly in His arms as you go through this most difficult time. Colton has an angel named daddy to be with him every moment of every day. The love and loss he will feel is because his daddy taught him in a short time about unconditional love. Praying you all find comfort and peace by being there for one another as your hearts fill with love and memories.

“ Donna, my heart is with you during this time of need. I have a great funny memory of Clint, I had a flat tire and Rob called him to come change it because I was in his area, when he arrived neither him or his friend knew how to change my tire. My heart aches for you. As a mother can't imagine what yo are going through. My thoughts and prayers are with you.. God Bless you
