“ *We shared lots of memories you and I Hoyt. But the most precious thing we have shared have been our boys and our grandchildren. Now you have gone on to join your mom and dad whom you love most dearly. But who could not help but to love your mom and dad. Our grandchildren will know and love you forever from the love and memories our boys share for you. I know that you will be watching over them until they meet you again. Thank you for sharing there life with me.*
