“ Colen was a pleasure to work with at the NCANG, as I worked with on the Flight Line and spending time with Colen at the AGE shop. He was funny at times especially if he got excited about something and was a great mechanic on the equipment. My prayers are with the family as they go thru these difficult days. Just trust the Lord to meet your needs.

“ Colen and I worked together in the 145th Maintenance Group at the NCANG for I expect about 20 years. Colen was a great friend. He was steady and never seemed to have a bad day. We went on lots of deployments together and though he was a bit quiet, he was fun to be around. Very few days went by that we didn't spend some time together. Something we enjoyed together was playing ping pong at breaks and lunch, almost everyday. Colen was a good player. Given where we lived, we pretty much lost contact after our retirements but I'll always remember him and his great smile. CMSgt. Michael Bigger.
