“ I am so sorry for the loss of your mother. She was a special person. I remember her and Mr. Paul leading our junior youth group at Prospect and all the Rice Crispy squares she made for us. I also remember visiting her in her little pink house bakery. It smelled wonderful in there and she graciously frosted and decorated several cakes for me. It is so hard to lose your mom. Please know my thoughts are with you, Nyra, Dorothy, and Nancy. I enjoyed playing at your house when I was young!

“ I believe that Mrs. Kennerly was my 4-H leader at the fire department on Linwood Rd, back in the day. I got to see her at Genesis when I was helping care for a patient there. She used to come by in her chair at night, when I was sitting. She made a very positive impression on a young person, who loved animals. I am so sorry for Nyra & the entire Kennerly familys loss. She was a very special person. Beth R.
