“ My heartfelt condolences to Connie's family and friends. Connie had a joyful spirit, a wonderful sense of humor and playfulness that I enjoyed so much. I remember one Halloween when I saw her coming down the corridor at Campion with a huge cowboy hat that flopped up and down as she walked. This was an example of her playfulness and joy. I remember how this lifted my spirits. I miss her but am glad that she had some relaxed years with family and friends in a "non-New England" (i. e warmer) climate. Ginny Harris, Social Worker at Campion Health Center, Weston, MA My love to her family and friends.
