“ I don't have one specific memory of Aunt Cookie but many memories of my childhood when she was present. The evening we moved into our house in Lindenhurst when both Uncle Jim and Aunt Cookie were there to help us move in, Uncle Jim helping to set up all the kid's beds and Aunt Cookie in the kitchen with my mom helping her to clean the oven and get things put together. Then there were the many Thanksgivings and family get togethers, what I remember most about them is his unwavering support and help for a successful family fun day and her laughter. I remember how involved she was with the boy scouts and anything to do with her family. She loved and laughed her way through life, that's how I remember my Aunt Cookie, rest in peace, I love you!
