“ I'm so very sorry for your loss. May your family find comfort and peace in knowing how much you are loved. Rest well Craig. All of the years you served others will never be forgotten. The way you could turn a smile into a laugh and live each day to the fullest. Your last call on Earth became your first call in Heaven!

“ Lynn, I am so sorry to hear of Craig's death. I had no idea he was ill. Both of you were my neighbors after I purchased my first home on Linwood Road. It has been a long time since you moved, but I am still there. Craig helped me put down the hardwood floors that I still walk on every day. I will miss him. Peace be to you and Bevin and the rest of your family. Love, Steve Stith

“ Lynn, I worked with Craig at Port City Electric about 30 years ago. This was one of his second jobs he had while he was an EMT. He was always the hardest worker and one of the kindest people I will ever know. Over the years, we would run into each and he just would make me laugh about everything. What a good man he was. I know he is in a better place now, but he will be missed. God bless you all during this difficult time. Much love, Brad and Phyllis Belk
