“ *I am so sorry to hear about Skip. He was such a fun and joyous person. I remember in my Study Hall at Northside High Skip put a student on his lap and was the ventriloquist for the student. He had the "student-dummy" say so many hilarious things....even things about me, the teacher...that we were all in stitches. I'm sure he will be missed by many. Warmest blessings to his family. “ *Having known Skip and the Frazier family as neighbors in his hometown for the past 40 years, the news of Skip's passing has been most distressing for our family as Skip and my son were extremely close. He was always pleasant to be around, polite and genuine. My heart goes out to Christie and the boys as well as to his mom and sisters and extended family as we have lost a jewel of a man, a man who loved his family and who was a dependable and hard worker. It is sad to know that we won't be seeing his sweet, boyish smile again. Our prayers and thoughts are with the entire Frazier family this very sad day.*
