“ I was blessed to teach at Northview Middle School with Cindy. She and I shared many students together, as I taught remedial reading and math for most of the ten years I was there. I found Cindy caring, funny, and a delight to be around. She left us much too soon.

“ *Dear Cindy, I traveled the world through your postings on facebook; I watched your niece and nephews grow to adulthood, as well as the next generation's births through the many photos you shared. The memories I have of you and your wonderful family will remain close in my heart for the rest of my days. Until we meet again, I'm counting on you to save me a seat at Heaven's Bunker Bar. Sending love and hugs to Patsy, Rick, Jeanie, Karen, Brandon, Benjamin, Valerie & her children. God Bless and give you strength through this most difficult time.*

“ Rick, I am so very shocked and saddened by the passing of Cindy. We worked together several years in the EC Department in Hickory. She was a wonderful teacher, cared so much for her students, and gave so much to them on a daily basis. After we retired, at the same time, we had lunch several times, and talked frequently on the phone. She was a special person and I will miss her. My heart goes out to you for you were a wonderful husband to her and such a support to her with her students (especially with your cooking expertise). Let me know if there is anything I can do to support you during this time of your grief. Sending you love and prayers, Gail Hewitt

“ My heartfelt condolences to Rick and the Belk family. She was a good friend in college and when she began her teaching career in Sanford. I was glad to have known her and sure she touched many with her bubbly and happy personality. May God bless you.

“ There are no words that can comfort during this most difficult time. Trust in God for the Peace and Comfort only He can give. Cindy was a teacher to my son Tre' Gantt. I cannot express to you the impact that she made on his life and ours as well. I hope that you will find comfort in the testimonials and comments in the days to come of those that she made life lasting impressions in their lives. She is truly ONE OF A KIND and She will truly be missed by all who knew her. Love and Prayers to all family and friends.

“ We are so sorry to hear of cousin Cindy's passing. I still remember the day she was born...I was ten years old at the time and she was my first, first cousin, once-removed. Thankfully, Cindy and I became Facebook friends and stayed in touch for the last few years through social media. Rick and the Taylor family, Patsy, Jean, and Karen are all in our prayers.
