“ Dear Rod, Clair, and Abby: It was with great sadness that we learned of Cinnie's passing. We are most regretful that our travel out of the country prevented us from attending services on Monday or Tuesday. We think back to the happy occasions of our coming together at UNCA over the years. Cinnie's pride and joy during those happy, family oriented events was always plain to see! We will cherish our memory of her from these times. Your family's loss has been much on our minds and we want to extend to you our deepest sympathies. Please know that each of you is in our thoughts and prayers.
