8 years and 2 months ago i sent "i miss you, daddy i was 6 years old sending that message at 11:00.at night, because someone decided to take my dad's life, someone who didnt deserve the heart he had. Someone who didnt deserve his love, and I still miss you a whole lot. You didn't deserve what happened to you. You were an amazing man. We all miss you. The family wouldn't be so shitty right now if you were here but it sucks knowing i have to grow up graduate walk down the isle withought my daddy by my side but what keeps warmth in my heart is that i know you're with me everywhere i go, watching all the good and bad decions im making im 14 now, so I know youve seen a bunch your wife misses you i say wife because i know if you were here mom and you would be back together and you wouldnt be drinking anymore but i know you sent who moms with right now to her so you can see her happy and i thank you because she needed that but i love you daddy and i miss you dearly
