

## Daniel Anthony Reuther

November 3, 1955 - July 30, 2023

Daniel Anthony Reuther, 67, former electrician for International Brotherhood of Electrical Workers (IBEW) for over 30 years, died of lung cancer complications, in his home Sunday afternoon, in Stony Point, NC.

Dan, or Mr. Reuther (which he would respond by saying "call me Dan, I'm not that old") was a man of constant dad jokes and long stories. He could start a personal story and find a way for it to turn into another clever joke. Dan always found the brighter side of all situations, and usually found a story to fit it. Dan was even writing down stories of amazing or intriguing people he met along the way while he traveled up and down the East coast with his "Union" brothers, from Florida to Long Island.

Dan loved the ocean and if he were anywhere, he'd be jumping waves in the sea. Dan passed his love of the ocean to his children by teaching them how to catch sand crabs, fishing off the piers, finding shells, and crabbing with nets, all while sharing the cool facts he knew about fish, trees, weather, and wildlife, etc. Dan always had "useless knowledge" to keep your brain inspired. Some of them came from his years in forestry school as a young adult, others from his thirst of knowledge.

Dan loved Nascar, politics, and socializing with his neighbors in Riverwalk. Dan loved shooting the breeze with everyone, and he took the time to know

your name, even if you were simply serving him a meal. Dan would keep records of every day of his life and cared to know the birthdates, celebrations, and trials of those he loved. He would send text or letters but hated when that group text kept going on afterwards.

Dan loved the Lord, and his living space was filled with Bible verses he collected as he studied daily as a Catholic who practiced love, acceptance, and forgiveness.

Dan more than anything loved his family and pictures occupy every nearly every wall. Daniel Anthony Reuther leaves his beloved family. Surviving: his three daughters, Kristi Combs, RN of Hillsborough, Sarah Gibson Davis of Kannapolis, Jessica Taylor (Zach) of Matthews, and his only son, Daniel Z. Reuther (Mallory), PA, of Angier, NC. Dan's siblings Patricia Reuther (Tom) of Fleetwood, Janet Reuther of Warrenton, NC, and Thomas Reuther (Susan) of Boxborough, MA, along with his nieces Chelsea (Anudeep) and Ashley (Kyle). His grandchildren, Brianna (Chris), Angel (Tyler), Alyssa (Dekota), Justin, Drake, Gavin, Trevor, and baby Evedene. Dan was looking forward towards meeting CJ, his great grandson in September, going to his 50th year reunion in Long Island, attending to a friend's wedding, and traveling more with close friends. He hopes to be reunited with his late wife, Jewell Elaine Miller Reuther, and his dearly missed parents, Dan and Ann Reuther.

The family request you to join to celebrate his life at his home, 147 Ridge Point Drive, Stony Point on either Saturday, August 5th, from 2pm until 5, and again Sunday, August 6th, 4pm to 7pm. Please call cell, 631-742-1465 for gate entrance.

In lieu of flowers, please consider donations to the Veterans of Foreign Wars, Feeding America, or the National Democratic Party.

Cavin-Cook Funeral Home & Crematory, Mooresville, is serving the Reuther family. Condolences may be made to the family at [www.cavin-cook.com](http://www.cavin-cook.com).

“ Shocked to come across Dan’s obituary. I knew Dan during the 1974-75 school year. Ninety-eight of us were completing an Associate Degree in Applied Science in Forest Technology at SUNY College of Environmental Science and Forestry, aka Ranger School. The Dan I knew almost 50 years ago is the same Dan described in his obituary. Mark E. Cacamis

“ Danny was a great guy as I fondly recall from attending St. Dominic’s HS in Oyster Bay, Long Island with him. His big booming voice filled up a room followed by a big smile and friendly chatter. He was always such a happy guy, friendly and sincere in all his social interactions with classmates. We all were so looking forward to seeing him at our recent 50th reunion and we’re very saddened to hear of his passing. Rest in Peace dear Danny. My condolences to the Reuther family. Peace. Roberta

“ Daniel Anthony Reuther was a dear friend throughout our high school years (1970-73) and will be greatly missed. Very much saddened by his passing; was looking forward to seeing him our 50th reunion.

*I'll remember Danny as one of those "larger than life" people...lots of fun and funny to be around. Working together on the Students' Pen (official school newspaper) ranks as one of my fondest memories of SDHS!!!*

*My sincere condolences to daughter Kristi, son Daniel, and the entire Reuther family for their loss.*

“ Had the pleasure of knowing Dan for about 17 years working with him on Long Island with local 25 traveling with him to different locals in the north east searching for work good union brother making sure that he introduced both of us to the staff always getting a tee shirt and entering all the information of the day into his book ( Captain’s log! ) every day!,great guy to work great stories of experiences on other jobs. And then there were his antics decided to take a shower under the roof drain on a job fully clothed clearing his sinuses because of some pollen. Checking smoke detectors with a cigarette in his mouth whipping out his pencil and figuring out a mathematical equation on the wall, and dam near running me over once!. After retiring and getting our mailbox money he went on multiple vacations with me and my wife Kathy including NASCAR racing, last stop was Nashville Tennessee he was having alot of trouble breathing and was on oxygen but still thinking positive. That was the last time I seen him. I’m going to miss you Brother especially on Sundays texting what’s going on with the race. I know you’re with God,
