“ Hello Ronna and Deon, We just got the news of Darien's passing tonight, and are sorry for your loss. The girls enjoyed the time they shared with Darien on the softball field and over the summer, wondered if she'd be a Diamond again this season. Darien was so precious, kind, and well-mannered- just as a princess should be! My family is so lucky to have had the pleasure of meeting and spending time with you all. As a parent, I can't begin to fathom what you're going through, but I sincerely wish you well and hope that you are able to take all the time you need to heal. Sending our sympathy and keeping you in our prayers, Khamryn, Khamya, and Katrina
