“ Darren you weren't only a friend but part of my family. It still doesn't seem real that you are gone, even though it hurts to know you are not here with us anymore it makes us happy knowing you are surrounded by all the loved ones we have lost and you are not in any pain. Daniel feels like he lost another brother, tell John we said hey. Now you and John save some deer for Daniel to hunt when he joins you both someday. We will miss you until we meet again on the other side. My family is thinking and praying for your family during this difficult time, and I know you are and will continue to watch over them. With much love from Daniel, Jennifer, Adam and Kirsten Luttrell
