“ . So saddened by this news. Although we didn't know Darren personally, we had the pleasure of meeting him at the ice cream store and at the Spinners game a few weeks ago. It's a shame he was taken too soon. We would have enjoyed getting to know him better. Our deepest condolences to the family.

“ Barbara, Bryan, Paul and everyone who loved Darren. Our hearts are breaking for you all at this tragedy. We were so blessed to have your family in our lives. Darren was bigger than Life and will always be in our hearts. Although Bryan was Jimmy's buddy he absolutely adored Darren who always made Jimmy crack up and made him feel special. He loved retelling Darren's antics at our dinner table and we enjoyed hearing them. I don't have the words to express what Darren and all of you have meant to us. Be sure he will watch over and keep an eye on you from heaven. Jimmy, Shannon, Kathi & Jim Cassaro

“ *Darren, I just found about the news. Even though we have not talked in a long time I still consider you a friend. I often think of Bases Loaded, and running the business together. You taught me a great deal about business. I was just thinking of you the other day when someone mentioned Pokemon Go. I thought of the Pokemon craze of the 90's and us trying to locate as much product as we could. I think about all those crazy township shows and beach shows. I laugh now when I think about the petty disagreements we had over Pokemon and wrestling shirts and baseball cards. Over the years the things that stand out is all the fun and laughs we had,just Hanging out and kidding around. You were like an older brother to me and I will miss you for the rest of my life. Sorry I did not keep in better touch and sorry I was not a better business partner. I will continue to pray for Barbara,Paul, all of your children and your sister. With love Your Bases loaded Partner John Carmody*
