

Darryl Ray Bryant

July 25, 1955 - March 30, 2014

Darryl Ray Bryant

(July 25, 1955 - March 30, 2014)

Darryl Ray Bryant, 58, of Mooresville, passed away on Sunday, March 30, 2014 at his residence.

He was born on July 25, 1955 in Charlotte, to Ellie Irvin Bryant of Mooresville and the late Ira Ray Bryant. Darryl was a retired electrical inspector for Mecklenburg County, where he received the NC Electrical Inspector of the Year in 2006.

In addition to his mother, he is survived by his daughter, Sonnie Bryant Hasson and husband, David; brother, Scott Harrison Bryant; and grandchildren, John David and Emmeline Lee Hasson.

A graveside service will be held at 4:00 PM on Wednesday, April 2 at Glenwood Memorial Park. The family will receive friends prior to the service from 2:00-3:30 PM at Cavin-Cook Funeral Home.

“ *We were so sorry to hear of Darryl's death. We have such good memories of him in our younger years. Of family visits when Sonnie and Corey and Cortney were children. And of him traveling with Smith to motorcycle competitions before that!! Our thoughts and prayers are with you all*

Smith and Cindy Bradford - October 06, 2017 at 10:51 AM

“ *I have known Darryl since 1985 when I moved to Mooresville. We have been members of the same gyms until his health declined. I visited with him about a month ago and he never complained about his health. He told me that he hoped to live a couple more years so his grandchildren could remember him. Darryl loved his family and was very proud of Sonnie and cherished his grand children. I will miss him!*

Joe Puett - October 06, 2017 at 10:51 AM

“ I send my deepest condolences to the family and friends of Mr. Bryant. Although I did not know him personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!
