“ *My thoughts and prayers are with the family at this sad time. I remember David as a little boy running around all energetic and happy when Cathy and I were teenagers. I know it is hard to loose him as I have lost most of my family over the years and know the feeling very well. He'll be waiting for all of you when you get there and you all can be joined together again. So hang on to that hope. Love and hugs to you all.*

“ *To the family of David, I went to junior high and high school with David . He was a great guy, friend, father and grandfather. He will deeply be missed by every one that knew him. Rip my friend until we meet again in heaven. Amen.*
