“ *Dear Cynthia and family,*

Our hearts are broken...and the shock is overwhelming. I wish we had known David was sick. We watched his service online and shed many tears and shared a few laughs. We would have been there if not for Covid.

I met him over 50 years ago, and our friendship endured. We have so many wonderful memories of him...memories we will always treasure. He was like a second father to Robbie. How blessed we were to have him in our lives. He will be so missed.

*With our love and prayers,
Sandy and Robbie*

“ Dear Cynthia and family,
David was one of my brother, Mike's high school friends. We all grew up at Southside. I wrote to him during his tour of Vietnam. David was a great friend who was soft spoken and kind. He was all round good person. He was always so kind to my Grandmother Miller. Unfortunately, over the years we only saw each other at funerals.

I cherish the good memories we had together! Please accept my sincere condolences.

“ I am so sorry to learn of David's passing. I didn't realize he had been sick. He and I were early childhood friends and playmates. We lost contact after his family moved out of our neighborhood, but renewed our friendship a number of years ago, and continued it through many Mooresville football games. My thoughts and prayers are with you all. May God bless and comfort each of you.
