“ My Aunt Marianne was married to David’s dad Tony. She is now a widow Mrs. Cannon. I have known David for at least 45 years. I kept in touch with him over the years. I am so sad for Piper, TJ , Cade & baby Dax, and Shonnette. I know losing his dad, Payton and mom was a heartbreaking loss. I pray for everyone who loved him. Our lives will never be the same without David. He always made me laugh, heart of gold , and he was GIVING to a fault. David was an incredible Human. I can just hear him laughing in heaven and see him dancing with Payton. I will miss you David. I loved you !!!

“ Ace was a voice i heard every day on the radio or from the podcast- since 1998 he kept me laughing and crying - the thought of never hearing his encouragement or jokes ever again just breaks my heart. My condolences go out to his sons, his family, and the radio family that he has left behind. I'm so sorry that after giving so much of his life to others, he didn't feel like he could take one more step forward to his next chapter of life. May his soul finally be at peace now.

“ Thoughts and prayers for family and friends as you go through this difficult time. Please heal healthy and lean on each other as our Lord and Savior holds you tightly in His arms. May you find peace and comfort in knowing just how much he was loved.

Thanks for sharing the many years and memories you created with us and sharing your kindness. We will continue to cherish all the laughs shared over time. Many blessings!

Oh, I'm certain all of us together couldn't count the number of times Payton has heard you sing "Maggie Mae Dreams" to her in just a few days!❤️
