“ *Dear Ann and Michael, I met Dave for the first time 8 years ago and Dave was a friend for me. I was honored to have dinner with the 3 of you when I was for the last time in Charlotte, end of 2014 before leaving PGI. I had dinner with Dave 5 weeks ago as he was visiting Bailleul plant, and we discussed your potential next visit together to France in September, where we could have meet again and have some fun. I was really shocked when I heard about these sad news and my thoughts and prayers are with you, Dave and your family.*

“ Dear Ann and Michael, although I only recently joined PGI, I worked very closely together with Dave, and thus discovered what a tremendous knowledge he had, and what astonishing professional he was. I was happy to finally meet him 4 weeks ago in Holland and Germany. This second meeting we had in a coffee corner at Dusseldorf Airport. This wednesday, I happened to pass at the same location, and in remembrance of Dave, I took a picture of the table where we spent 2 hours together. Needless to say how sad I am about the sudden loss of Dave. I wish you a lot of strength in the coming period. Please know that Dave will also be missed a lot here in Europe.
