“ *I send my deepest condolences to the family and friends of Mr. Gatten. While no words may ease your pain, rest assured that the pain we feel won't go on forever. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they're resurrected back to life. Once resurrected, they can enjoy the promise found at Revelation 21:4 which speaks of a world in which death, tears, mourning, and pain have no place, for "the former things have passed away". Please visit our website at jw.org if you want to learn about this beautiful hope and more.*

“ I am gonna miss my uncle David he always made me laugh. Always picking at someone to make their day and his. Especially when he and dad were in the same room that was always a funny sight listening to them banter back and forth. He would give you the shirt off his back if he thought you might need it more than he did, of course he would always give ya a little grief at the same time which is what made him David. I am sad to not have him around but I am sure he has found peace he was a great man and even greater uncle. Love ya David gonna miss ya.

“ Dear Grandpa, Where do I start. You have always made me laugh from your jokes and your tricks. I know I never visited much and now I can never repay the time I missed. I remember as a child how we used to wrestle and every time I told you "you cant pin me down", you proved me wrong. If I could go back to those times I would. Just know that I love you so much even though I didn't visit often enough. I miss you so much but I know you're in a better place I just wish we had more memories. I will make you proud. I love you. “ I believe that people are brought together for a reason. You were sent from god to our family because we needed someone to love us and so did you. You raised me and Brenda to be strong loving women. I am thankful that you loved my mother and was there for her also. You helped to raise your grandsons to be good men. Thank you for everything. I will miss you very much. Love , Sheila
