“ Sandra, I am just now learning of Daves passing. I am sorry for you and yours. He will be missed. After I left GAB we had lost touch with one another and I wish we had stayed in touch. I live on the other side of lake Norman from you. Small world isn't it. Take good care and we are sending up prayers for your family . Steve and Adrienne Black

“ Dear Sandra and Family,

*I am so saddened to hear of David's passing. Unfortunately, I cannot be with you at his memorial as I will be visiting my daughter and family in Colorado at that time.*

*I met David when the Golden Boys started and enjoyed golfing and fishing with him. We always had a good conversation with each other at the monthly breakfasts and at other events. He was always a very pleasant person and easy to talk with. He will be truly missed! GOD BLESS each of you. Always remember the "Good Times Together".*

“ *I played a ton of golf with Dave. Loved his sense of humor. He was always will to help me with my game. We called him " Down the Middle Dave" for his awesome drives straight down the middle of the fairway!! He will be missed.*
