“ So sorry to hear of this, I saw him at Church a few weeks before his passing. Always loved to talk and visit with him, he was a friend to me and will be sorely missed. Sniff.

“ Diane I was shocked to hear of David's passing and I am so very sorry for your loss. David was my hair dresser for 14 years but he was also a friend. His goofiness and his outrageous antics always had me laughing. He was kind and generous to all he met. May you find peace in the afterlife. I will always treasure our memories and will miss seeing you around. Love you my friend.

“ *Diane, My loving thoughts to you and David's Family. I have always enjoyed coming into the Salon and sharing stories with David along with enjoying his wild sense of humor. He knew how to cut hair and manage a salon. David loved you very much and respected you as not only his wife but his business partner. Stay strong my sweet friend. Kara Ann is now with her Daddy.*

“ Diane,

Robin and I were shocked and saddened to discover the tragic news of Dave's death. It is always so hard to accept that someone such as Dave, who was always living life to it's fullest and always concerned about others, is taken from us so early. I have tried to imagine Dave, enjoying chasing and playing with your daughter Kara and accepting that God calls all of us home in His time, not ours, and that it is through our faith that we believe in God's promise to us, that He has prepared a room for all of us, and that the short time we are here is not an end to life, but that it was just a preparation for something much greater, where all of our earthly problems will no longer be a burden and that we will finally know the peace and love of our Father.

Diane, we want you to know that we love you and will always be there for you. Whenever you feel up to it, please reach out to us.

Our prayer for you is that the tender love of the Holy Spirit provide you with a sense of comfort, peace and love during these most difficult times.

“ *Sending condolences, love and hugs to Diane and Davids family. I had the pleasure of working with David at New York Hair Company in Sarasota, Fl. He always kept me laughing. I remember when he decided to enter the Body for Life Challenge. David was all in in everything he did. I remember during the challenge he told his son that even one tic tac would have a negative effect on his physic. I remember the day we took his after photos to send in. It took so long because we kept laughing. I was so proud of his commitment. He did so good. He was an amazing hairdresser. Always entertaining his clients. They all loved him. He always had a very special place in my heart and always will. Love always, Joyce Richter*
