“ Dave and I shopped at and eventually worked together for a while at Street Corner Comics in Hurricane back in the day. I just saw this today as I was trying to find people from the store to start a FB group. I'm truly saddened by this but feel grateful for knowing Dave and hanging out in the store talking common interests. RIP buddy.

“ David was my first cousin and even though I've not spoken in years I love him. Once, when we were kids, the neighbor's had made fun of me. I found out later that he and Derek went back over their house and beat them up a bit. :) When I was in college, David made me a mix tape of songs he thought I would like. I had that tape for 10 years until my car was wrecked. Some of the best memories of my childhood were the two of us at our Nannie's house. I love you David.
