“ To David's family. I am praying strength that we get through this difficult and sorrow filled time. I visited with David Friday. We talked for a few hours. David was a mentor, teacher, and friend. I've learned a lot from him. My heart is saddened. The National Association of Letter Carriers has lost a great leader. I am thankful that God allowed David to be a positive influence in my life for the past 18 years. My thanks to you his family for the time he spent away from his family, sacrifices he made to take care of his union family. My deepest condolences for your loss.

“ To the Family of David Summers: I wanted to come and pay my respects to David who has been my friend for at least 35 years, but due to impending knee replacement surgery, my Doctor has advised me not to take this trip and also, he did not want me standing for any length of time. I will make a donation to his charity. Sincerely,
