“ A very special friend who we loved very much. Special memories of a loving and caring Christian. He loved the youth he taught and cared for the elderly he served, a giving man to so many; there is no replacement for David in our hearts.

“ Lifting your family and friends in prayers throughout this day. Remembering all the great songs we sang together in the Fordsters and chorus. "Friends Are Friends Forever" is a favorite.

“ My prayers are with all of us left behind to figure this world out without David and his wisdom to help us through. Rest assured he's already either planting or fishing to prepare for us to join him. God is building an Army of soldiers and I can't think of a better one to join the ranks. I find comfort in knowing that he used his time here on Earth to be kind and compassionate in his own special way and above else to witness about the Lord.

“ *What a fine man! David was a straight shooter and you always knew where you stood with him. I have known him since we were children. In high school, we spent time in class and in the Fordsters together. His posts on Facebook were literally something I looked forward to seeing every day. I'm gonna miss his sense of humor and his blunt style. A great guy all around.*
