“ *David completed an outside reno almost 20 years ago on our house. He and the "marlboro man" were at our house every day for about 6 months! Super nice guys and they did a fantastic job, always remember David chewing on a piece of straw and the porches still holding strong! So sorry to hear about his passing, Rest in peace...*

“ *David was my cousin. We knew each other by our annual visits back to NC from Oregon. My favorite memories of David were made during our Welch Family Reunions held at David's parent's home next-door to David and Donna's home. I was always struck by the deep love that David and Donna had for each other. Another truth about David of which I was made aware by his mother, Carol, was David's talent in building homes. I think his own home is a tribute to his accomplishment as a builder. Those of us who knew and loved David grieve with you Gregory. Our love, Ray and Sondra Barbee.*
