“ *Our God is a magnificent God. He is bigger than our biggest pains and our biggest fears. I know that your faith is strong, and you can hold on to your strength to carry you through this difficult time. Even though we cannot see a reason why David had to leave this earth, we know there is a reason in God's plan. God is with you right now, and trust that David is too.*

“ *Was introduced to David through Tom Higgins three years ago while planning a fishing outing for wounded warriors / DVets on LKN. David and I had become good friends. On the days of our Fishin' Festivals, I would just stay in the background and let David do his thing: catch fish - lots of fish; laugh and cut up with the veteran he was hosting and know that David was attending to the veterans special needs. The veterans loved being on the boat with David. Thanks David from the Operation North State Family. Hard to say goodbye.*
