

Deaven Mitchell Holder

December 21, 2004 - April 27, 2023

Deaven Mitchell Holder, 18, of Mooresville, NC, left this world for heaven on April 27, 2023. His passing has deeply saddened his family and loved ones, as we have lost a unique and beautiful soul. He was a treasured son, exemplary brother, best friend, and so much more to countless people. He was a true blessing to know and love, and he will continue to be loved by many.

Deaven was born at Lake Norman Regional Medical Center on December 21, 2004. He was to graduate from Lake Norman High School in June 2023. He was employed by On the Nines Restaurant in Mooresville. He was preceded in death by his paternal grandfather, Eaven David Holder and his maternal grandparents, John and Beverly Saunders. Deaven is survived by his parents, Derrick and Carrie Holder, two sisters, Nicole Decker and husband Blaine, Jessica Holder, his Memaw Glenna Holder, and numerous aunts, uncles, cousins and close friends who are too numerous to name.

In his childhood, Deaven was an adorable, sandy blonde-haired, brown-eyed, chubby-cheeked, comedic athlete. We delighted in watching him grow into a tall, handsome, strong, and confident young man. He was a natural athlete in any sport he attempted, including baseball and swimming. He was a competitive swimmer beginning at age four swimming with the Winslow Bay Wahoos in summer league. He progressed to swimming competitively for

Swim Mac and Lowe's Lightning swim teams. On Lowe's Lightning, his accomplishments include high point scorer over multiple years, qualifier for Y Nationals individual events in 50 freestyle, 100 freestyle, 100 backstroke and was a proud member of the first men's 4x4 Free Relay to qualify to Y Nationals. He swam for his high school teams as well. In 2020 during his freshman year at Pine Lake Prep, his relay team won the gold medal during the 1A/2A State Championship meet in the 400-freestyle relay along with the PLP men's team clenching the State Championship title overall.

Deaven had a passion for the ocean, animals, and nature overall. As a child, he aspired to become a marine biologist. He enjoyed scuba diving, snorkeling, hiking, traveling, and spending time with family and friends. He was unfiltered and independent, yet sensitive and incredibly compassionate. His strong-willed, stubborn, and outspoken nature were integral parts of who he was. He was artistic and creative. Deaven's sense of humor, witty remarks, and larger-than-life personality brightened every room he entered and he could always make you laugh. His stunning and contagious smile touched everyone around him. Deaven's caring nature left an impact on many lives just by being himself. He will be forever missed and remembered daily. Until we meet again, our sweet Dev is now at peace in heaven, reunited with his loving family beside Jesus.

A celebration of life will be held on Thursday, May 4, 2023, at 6:00PM at The Quarry at Carrigan Farms, 1213 Oakridge Farm Highway, Mooresville NC 28115. This celebration will include food, firepit, and fellowship. Please plan to join us for the time of togetherness.

“ *I had the joy of being one of Deaven's preschool teachers. Even after this many years I distinctly remember his smile and laugh and enthusiasm for whatever was going on in class. He was so bright and funny and could hold a full adult conversation at 3 years old. I'm so grateful to have known him! I am so very sorry for your loss and will be praying for you all as you mourn.*

“ *We have been a wahoo family since 2013. Deaven was a bright
light. When my kids felt like other coaches were tough, Deaven was
kind and always encouraging and smiling with the kids. I was
floored to hear of his death. He was undeniably special and
wonderful and I am so sorry that he is gone. I'm sorry for everyone
that knew him but I'll be praying for his family especially. I am just so
sorry.*

“ *The Holder family holds such a special place in our hearts. Growing up, Deaven was always in the pool, and Derrick and Carrie were never too far behind. Deaven played baseball with my brother, and my mom, as well as Mrs. Carries were always driving to and from the ball field. Seeing him thrive in and out of the water was always so exciting. Once we got to high-school, I started driving Deav home and it was always a wild ride. The laughing would never stop and we would always have our little post-school gossip sessions. This boy would always ask for a quick chickfila run on the way into Mooresville. Being a “swim family” is not a term taken lightly. The wahoos, as well as lightening hold that term so close to their hearts. Deaven encapsulates what it means to be a family and his presence and the way he held himself represented that to its fullest extent. His vibrant energy and light is one of the biggest gifts Deaven gave during his time here. I am so honored to have known this amazing man and spent the time we had together. My deepest regards and condolences go out to anyone and everyone who had the pleasure of crossing paths with him. As for Deaven, all I can say is you will be missed beyond measure. You have no clue the impact you made on everyone you met. I love you forever and always.*

“ Deaven was a part of our family's memories during the time we lived in Winslow Bay. He is a beautiful boy with a special light. I know you have just experienced the unimaginable. Please remember you ever want to talk to someone who knows the pain you are going through, please get in touch. We are both on Facebook. Sending so much love. Deaven is not gone. He's right there with you, he has merely changed form. Sending love, Sherri McInnis and Jillian McInnis.

Deaven was such a bright shining light around our home as Ari's best friend! He was the most kind, considerate and loving young man. Unfailingly he would come out to my car to see if I had anything that he could carry for me since I have a disability. He always had a smile on his face. Our home is a much sadder place with him gone. He is truly missed but will forever live in our hearts!

“ I was walking to the office at Woodland Elementary school to pick up my daughter to go swimming and there was a school bus in front of the building. As I passed it, I heard, “Hi, Mrs Doña!” I looked at the bus and there was Deaven at the door waving with the biggest smile. He always greeted me with exuberance, but that interaction is how I will forever remember him.

Rest in peace, Deaven.
