

## Deborah Ann Masten Davidson

August 24, 1965 - June 7, 2025

Debbie Masten Davidson passed away unexpectedly on June 7, 2025, at the age of 59.

Kindhearted and endlessly giving, she was deeply loved by family, friends, and everyone she met. She was happiest in the company of her furry friends as well as when she was helping others. Her warmth, generosity, and vibrant spirit made her a light in the lives of many.

Her greatest passions in life were volunteering for animal rescues and sharing a love of science with young minds by serving as the Vice President of Math Science Nucleus. The impact Debbie made in education continues to ripple through the lives she touched.

She is survived by her daughters, Megan and Casey Davidson; her brothers, Scott Masten and Bill Masten III; and her father, William Masten Jr.

Debbie's energy was unmistakable, and her absence leaves a space that cannot be filled. She will be deeply missed and forever remembered.

The family will announce the Celebration of Life Event to welcome parties.

In lieu of flowers, donations may be made in her honor to Debbie Davidson Memorial Fellowship for Science Education with Math Science Nucleus.

Cavin-Cook Funeral Home and Crematory, Mooresville, is serving the Davidson family. Condolences may be sent to the family at [www.cavin-cook.com](http://www.cavin-cook.com).

“ Our heart goes out to you on hearing of Debbie's untimely passing. She was loved by our whole family and we will miss her terribly. She was a wonderful, kind person who was always the caregiver and animal lover, the first to offer a helping hand. We met Debbie when Megan and Michelle were in kindergarten together where they instantly became the best of friends, and still are to this day. We have so many memories spending time together throughout the years, including days out on the lake and meeting at the beach. I will always remember spending time with Debbie during the girl's girl scout troop days, and the times we spent hours talking together just meeting for dinner. I will miss her warm smile and hearing her laugh. Sending our deepest sympathies to you all. Thinking of you with love and support, Denise & Mike Naclerio
