“ *What a beautiful soul Debbie was. I got the pleasure of doing Debbie’s hair and was always greeted with a loving hug when she walked through the door. She loved her family with all of her heart and soul and I loved hearing all the beautiful things her family was doing and how proud her kids and grandchildren made her. I will miss her kind and loving heart and may she rest in peace with our Lord and savior.*

“ *Debbie lived next door to me & that is how a long lasting friendship began. We enjoyed being together as we both loved walking & spent many days walking & talking. We had a birthday club & she would always joke that she was the oldest. We enjoyed lunches, shopping & phone calls. I will miss our caring, sincere friendship for each other. May she rest in peace.*

“Debbie was my neighbor on Shagbark Drive in West Deer 40+ years ago. I have only great memories of her as she was a great gal! Such an awesome Mom and neighbor, we shared many good times! Debbie and my first wife Gerry (passed away in 2004) delighted in taking disco lessons, then came home and taught their husbands all the moves!!! Many Saturday nights were spent at the VIP 2001 on route 8!!! Whoever chose the accompanying picture to this announcement picked a fabulous one because it captures her niceness and beauty, and call me crazy but I can hear her voice just by looking at this great picture! In spite of not seeing Debbie for decades, I am STUNNED by this news! My deepest sympathy to Debbie's Great American Family, Kim, Hilary and Keith and their children. May she rest in eternal piece with the Lord. 🙏🥹
