“ We're so sorry to hear this. Karen and Debbie went to Bel Air High School together and later worked together at Westinghouse. Karen and Debbie stayed in touch over the decades and we visited Don and Debbie several times in Maryland and then in North Carolina. Karen was concerned when Deb didn't answer her most recent texts and a google search revealed this unfortunate news. Our most sincere condolences to the family and especially to Don.

“ *Dear Don, I was saddened to hear of Deb's death. I had no idea she was so l'll. I have fond memories of her walking in the neighborhood usually pushing a stroller with one of her grandchildren. She sure loved those grandkids. She would always stop & chat. She was a lovely person who I know you will miss dearly.*
