“ I just loved Delcie! I remember spending SO MUCH time at my Grandmother's house next door and Delcie would come over to visit often! She always had a smile on her face. Vera, Sylvia, and I talked about Alfred and Delcie often and what wonderful people God blessed us with for neighbors and friends! May God's peace and love surround your family during this difficult time. I look forward to seeing her when I get to Heaven. ❤️

*Delcie was full of life, One Speed Setting Wide Open: Dam the Torpedo's Full Speed Ahead. She was the eldest sibling always meaning us well. I and my friends called Her Sargent Carter (lol) Well she didn't wear the USMC DI Cover or Uniform but she'd hold you to a code of conduct she believed was GODLY and a must in Human behavior ( Quote - Unquote ) If there was a spect or even more of a unclean way about you. You were in infinite assurance that Her BOOT was going to be applied with aggressive force with none physical abuse. It felted like a Big Can of Wopp A\_\_ was Opened and it was Neck Deep. She'd put the fear of GOD in you PERIOD ! I know satan and his devil's scrambled at Her Voice ! ( lol ) But She would insteadly turn around to do everything she could to help assist you feed you cloth you ect... ect... in doing so and in most instances she start crying because it broke Her Heart to be so Hard. She Really Cared about People. The End.*

*Condolences to all Delcie's family. She had a smile that could light up a darkened room. I know her family will be saddened by lack of her presence here but she fought the fight of faith. She finished the race, and has made it to her eternal home. I pray for peace and comfort for each family member.*
