“ *I remember when Del and Mose Installed a cam in my new Nova. We were in Dels garage all day. My father was not happy I was gone all day. He said good girls don't leave at 8 am and not come home until 8 pm. I had to let him think the worst. Del was a very special person. He left a mark on so many. My brother just said a few weeks ago he went by Dels old house on Hix. He was maybe 12 at the time. He still remembered him. 💔*

Oh man sorry to hear this. We were a couple of the bad boys in high school. We were car guys from day one. Dave Payton was the auto shop teacher at Stevenson High. Deals father was a trucker and had a shop way out on Ford Rd. We used to drink beer and work all night on cars. He and Gary Johnson could weld hanging upside down. He stuffed a Pontiac 455 in a 64 Chevy 2. He was the fastest kid in High School. He built many fast cars. I last ran into him at Ceasers Palace and he was doing stock cars down south. RIP Big Guy you had talent....
