“ Words can not express the feelings im feeling as i write this my heart is shattered all over again. You were more than a foster dad to me you were like a dad to me. My heart breaks for Vicki as I know days are gonna seem long and dark for a while. Collin is gonna miss you and he's gonna need you here. I just can't believe your really gone it's like a movie and Im the main character I keep losing people I love around me. You have always been there for me and have always showed me love and what to expect when it comes to love you talked to me and listened to me and never once judged me on anything. I can not take the pain away from them but just keep wrapping your big Dennis hugs on us. I love you "dad"

“ My first encounter with Dennis Hendrix was 35 years ago as I was playing Basketball in a Church League that played at the YMCA in Cornelius, he gave me my first of many Technical Fouls as I lead the League for 3 years in that category. We both became members of All Sports Officials years later and I worked with Dennis on several occasions Umpiring Fast Pitch Softball and I don't recall ever seeing him mad or upset. He will be missed by all of us at All Sports Officials. RIP Dennis
