“ *I send my deepest condolences to the family and friends of Mr. Belk. Although I did not know him personally, I, too, have experienced the loss of a loved one some years ago and know it is a difficult situation to face. I pray that his family and friends can find comfort in God's Word, the Bible, and continue to rely on Him in prayer. John 5:28, 29 talks about a hope we have of seeing our loved ones again when they are resurrected back to life. What a beautiful and exciting hope that is!*

“ I met Don at Centenary Church the first Sunday after I got out of the Army in January 1972. He took a chance and hired me to work for him the next day. He and Zonnie sort of took me under their wings to teach me the electrical craft. I will forever be indebted for in doing that they are partly if not mostly responsible for everything that I am. I left Belk Electric in 1977 to go to work for Duke Energy and have just recently retired . Both Don and Zonnie were two of the kindest and best men that I have had the pleasure to know. I am saddened at the passing of both. They will never be forgotten...

“ I want to offer my condolences and to assure you of a wonderful hope that the bible offers. The bible makes the promise of a resurrection at Acts 24:15. It also tells us that death will be no more. (Revelation 21:4) You can believe this because God is the creator of life and he is certainly capable of restoring it. He has resurrected people in the past and is eager to do it again. (Job 14:14,15) He will resurrect them here to the earth and you can see them again without having to die. My hope is that you take comfort in these promises and that it can in some way ease your pain at this time

“ Don was one of the finest, most honorable business men as well as a human being I have ever met and I am privileged to have enjoyed his friendship for over 35 years. I also know that his values will be carried on by his son and his family will remember him with greatest affection. We all will miss him a lot and are thankful to have walked our lives together with him. With deep sorrow I will pray for Don's family and hope that the memory of him will carry his loved ones through this hard time. Hans Lengers

“ Don Belk was always my hero..... someone I looked up to and wished I could be more like. He was a model citizen, a loving husband, role model for his family and an exemplary, ethical business leader. A very RARE find in today's world! Don touched many, many lives and everyone was better off for the contact and experience. God Bless the Belk family. They are following in Don's footsteps and with their faith and the benefit of Don's guidance they will get through this.
