Toby and Denise sorry to hear about your Dad. He was a character loved to pull jokes on me as a child. Always laughing! I know he will be missed by many. Deepest Condolences.

Donald was one of my brothers best friends when they were growing up. I am 2 years older than they were. They loved to give me a hard time but that was life. I would run into him and he loved to talk about those old memories and friends  
My thoughts and prayers are with with you all
