“ I worked with Don at Forsyth County DSS for many years and seeing him each day was a blessing and a lift to each day. He had a wonderful sense of humor, was a caring, kind and supportive person who possessed a fantastic artistic talent. “ Don was a colleague of my wife, Ann. I got to know him on my afternoon walks past his house. He would stop doing his yardwork or would be driving by & ask how Ann & I were doing. Some times we would just chat. Don will remain in my heart.
