“ So thankful that Burlington Industries brought your family to Greensboro. What a kind & gentle giant Mr. Markofski was. So evident was his love of his family. What a resounding & beautiful voice he had- Glad to know he shared that with his church family 🙏 . Prayers for each of you are lifted up. With a sorrowful heart, I send much love & hugs. Xoxo

“ Suzanne and family I am so sorry for you loss. .My memories of Donnie as Uncle Walter and Aunt Mary called him were of him growing up and spreading his wings to fly as they would say. I can remember when you would come back home and visit us for the day and my Mom would be so happy. She would always have his favorite dishes ready, chicken soup even though it was always warm out and pork hamburgs and mushroom gravy and home made pickles. Our prayers and thoughts are with you and your family.
