“ *Carey was a great guy to say the very least. Never a respecter of persons, friend to EVERYONE. And a smile that would light up a room and bring a smile. Jr. High he was a candy salesman lol. Always selling Now&Laters and gum out of his bookbag. High School you could always find him in the "Yota" in a mud hole up to the windows somewhere in Eden. There was no hole too deep and no truck too big that he would not follow anywhere and that is the truth! It really saddens me deeply to hear of his passing. Every 22R Toyota truck I see I think of him. Deepest sympathies to Christy, his children and family.*

“ Carey was an amazing person, showing kindness and generosity in the way he treated others and lived his life. He truly cared about others in the way Jesus taught us to. When I think about the kind of people him and his wife Christy are, the song by Natalie Merchant, “Kind and Generous” always comes to mind-

“ Carey wasn't only a great guy but the best boss man ever , even though he's the first boss man to ever break out the lights , so you could see to get the job done after dark in a emergency situation! He would also stay with us to finish the job! He was a fun person just to be around!He will never be forgotten! Praying for Christy , the kids and family! I love yall!
